

RULES

- all parts must be 1920 x 1080
- anything NSFW, gory, any hate towards a certain group and / or just generally discomfoting / gross stuff is strictly forbidden
 - follow the color palette
 - joining the Discord server is required
- the codeword is the ship you'll be using and your Discord tag
- the MAP has a two week deadline, extensions can be given IF you provide WIPs
- the MAP should be mainly PMV and slow paced, there MUST be some sort of movement (tweening)
 - watermarks and greenscreen are not allowed
- you can use anything for your part(s) except for things on the blacklist
- you must have animation examples on your channel
