Beckley Herefords

Ravenna, Ky is where the herefords roam, a specific breed of cow known for their red coloring and white faces. They have been an essential breed in America for many years, and the Beckley family knows it.

In addition to running their veterinary practice, the Beckleys breed prized Herefords with an emphasis on strong, healthy cows (females). They sell prized cows and calves, and other farms can pay to breed their animals with the ones at Beckley Herefords. The best herefords on the farm are entered in cow shows like the WSS Championship Drive.

OPOH Farm

OPOH Farm in Ravenna raises Nigerian Dwarf Goats and they are also in the process of building a supply of homemade Goat Milk Soap.
