*I requested my transcript in Xello for a Non-Common app school and my college portal states that they did not receive my transcript from SRHS. How can I confirm that my transcript will be received by my university?*

Please log into your Xello account. From your Student Dashboard, under Goals & Plans, click College Planning. Under College Applications, find the college you applied for. Under the Application Checklist you should find your Parchment ID. Share this Parchment ID with the admissions office of the college you applied to. **It may take up to 30-60 days for a transcript to be acknowledged as received from a college/university.** Please check both your student college portal and Xello portal for updates.
