

The Midfield Press Recruitment Information - Spring 2025

Hi there! Firstly, we just want to say thank you for being interested in joining our team!

We're eager to take on a group of new, budding journalists to get prepared for the upcoming Euro's tournament, and also get a head start on preparing for the 25/26 season.

Below, you will find a short list of the **responsibilities** that come with each role, followed by a **link** that will take you to an **application form**.

We politely ask that you **refrain** from applying for **more than three roles** in order to help us manage the process smoothly.

Again, a big thank you for your interest in joining our team, and we can't wait to hopefully welcome some of you soon!

Many thanks,
The Midfield Press Team.
