January 2023

Dear Parent/Carer

Your child will cover four practical assignments studied in Creative lessons this academic year. They will have the opportunity to cook a selection of dishes in Food and Nutrition and produce a range of products in Technology.

We order and purchase the ingredients and materials required for each practical Food/Technology lesson as well as for the practical assignments over the remaining academic year. We would ask you to support us in this venture by kindly making a voluntary contribution up to a maximum of £10.00 to cover these costs. Payments should be made via the online parentpay payment facility.

All the necessary ingredients and materials will then be provided and, of course, students will bring their completed products home for you all to enjoy.

Yours sincerely

Mrs W Letherland
Curriculum Progress Leader Creative
