COMMISSION TERMS OF SERVICES

1. Payments are done via paypal invoicing or kofi [Kofi is preferred]. Due to where I live I don't have cash app or anything like that, so please don't ask
2. Payment plans are available for any commissions/adopts over 200USD. A 50% deposit is required
3. If you prefer a more pokemon/digimon style, please inform me as I draw all my commission in my own personal style.
4. Asked completion time is 4 to 6 weeks for standard commissions and 8 to 10 weeks for detailed commissions such as detailed reference sheets or full illustrations . If more time is needed, I will let you know
5. Communications I go off what the client prefers, so please just let me know if you prefer a platform. [Easiest ones are discord, twitter or bluesky]
6. I try to keep everyone as updated as possible. Please be aware that my commission queue is based on when the commission is created, so there may be someone in front of you. To help keep everyone as up to date as possible I will send you an invite link to my trello workboard. This is where I keep track of all current and completed commissions. All cards have the basic outline of the work I am doing and where I am at with them. This just helps show in a visual setting where you are at
7. I post all completed work to my socials. It will be watermarked, be marked in the title with [c] and have your preferred socials linked in the description. If you prefer me not to post it or wait till you personally post the artwork, please let me know before completion
8. I hold the right to either put your commission on hold if I do not receive any sort of communication within 30 days. I hold the right to terminate, without refund, if I don't receive any communication within 12 weeks. I do not delete any artwork, so this can be appealed.
9. Below you will find the lists of my DOs and DONTs. I am open to drawing a lot of things, so if it's on my DONTs list it's because I am either not skilled enough to deliver a product I would be happy with or it's a boundary of mine.
10. I will be posting WIP of commissions to my socials and discord server. If you would like me to not post any WIP of your work, Please let me know.

Slots can be put on hold. Just request this when making contact with me.

At any time someone becomes aggressive or just flat out rude, I hold the right to cancel the commission without refund.

My refund policy is pretty straight forward. If I cancel the commission due to a medical or RL issue, I will refund money for the amount of work I haven't completed. If I am canceling because of rudeness, aggressive behavior, lack of contact (3 Months) or things around those lines, No refund will be issued. I don't issue change of mind refunds either, so please keep this in mind. Also no refunds will be issued if you don't "like" the end product. I keep all clients up to date with sketches, linework etc. If you have a problem with something, those are the times to bring them up. If I have completed work and you wanted large edits, to linework or entire coloring, you will be charged extra for an editing fee. Small tweaks and edits are fine.

Thank you so much for taking the time to read this and I look forward to hopefully working with you
