

(Company Name)

Hello (prospect's name)

As you may have seen my company is about **insurance**, what if I told you that you are not **safe**?

Every time you take the wheel you put your life in danger and you do not realize that there is no one to lend you a hand in case of a serious unfortunate incident.

(Company name) gives you the solution, we **guarantee** 100% that in any case of incident we will be there, we will be your guardian angel.

Imagine being able to drive with peace of mind without thinking about what would happen if X **accident** happened to me and who would help you in that case apart from the ambulance.

If you truly value your **life** and want peace of mind in case of any accident that puts your life and your wallet in danger, there is nothing more to say, our (company name) is made for you specifically.

For peace of mind click here
