EVERY MOMENT MATTERS

Music and Drama Newsletter

A look inside our Music & Drama Den this month—from learning to perform together to creating with confidence. Thank you for encouraging your students to share what they are creating in music & drama class.

WHAT WE'VE BEEN LEARNING

EARLY LEARNERS | TK–2

Students are exploring fast and slow beats, strong and weak beats, and meters of 2, 3, and 4. They are practicing steady rhythms together and learning how teamwork helps everyone stay with the beat.

ELEMENTARY | GRADES 3–6

These musicians have been performing rhythms & chords, discovering pitch, melodies and harmonies. In their short scene work, they have been strengthening their collaboration, expression, and performance skills.

MIDDLE SCHOOL | GRADES 7–8

Our creators and producers have been sharing their ideas through creative individual presentations, projects, and ensemble work. They are making artistic choices, rehearsing with peers, and presenting their work to others.

HIGHLIGHTS FROM THE DRAMA DEN

The Den has been full of steady beats, shared ideas, and ensemble practice. Take a look at some of the action!

ASK YOUR STUDENT ABOUT

- How can you show a strong beat in a group of 2, 3, or 4?
- What musical idea or scene choice did you try this month?
- How did your group work together during a rehearsal or performance?

A MOMENT TO CELEBRATE

We celebrate students who listen closely, contribute ideas, support their ensemble, and take creative risks. Every rehearsal and every small improvement counts.
