

A Good Thigh Massage

Hehe, hello, my auditory listener. I heard that you like having your dick squeezed with thighs. Well, I'll have you know, I just love having a thick shaft between my thighs. What if...say, you had your dick out...and I just happened to see your thick muscle just throbbing. Would you want me to...get your precum...and make my thick thighs wet, and jerk you off using my fleshy thighs? Hehe, I see you like the idea. Here, let me just...spread your legs so I can sit right here...and...ah, there's the meaty stick. Mmmm, it looks delicious, but we gotta get that shaft moist. Ah...now that it's all wet, it will slide up and down between my thighs with no problem. It'll feel just like a pussy. Here...we go...ah, doesn't that feel so good? Look how far it sticks out from my thighs. Imagine if that was inside me, it'd probably penetrate my cervix. Now, we'll stroke you up....and down...up...and down...mmm, that feels so good, it's making me feel good. Ah...if we go faster, it'll feel better. Ah...ah...yeah...you're leaking so much...are you gonna cum soon? It's twitching so much. Mmmmm, I would love it if you cum. You can cum whenever you want. Cover my luscious legs with your sticky nectar. Yes...yes...cum for me...there...you're gonna make me cum too, it feels so good...please, please cum. Let's cum together and we'll make a delicious mess. Cum...cum...! God, I'm cumming! Yes, yes, yes, yes, gah! AH! Ah...ah...mmmm...mmm...hehe, look, you covered my shorts with your cum. If that was inside me, you could have gotten me pregnant.
