Hi, is [name of voter] there?

I'm [your name] and I'm a volunteer / I work with [CANDIDATE'S] for [POSITION]. How are you?

LAYERED CONFIRM ASK:

I'm calling to thank you so much for signing up to join us for our [phonebank / textbank / virtual house party] on [day] at [shift time]. We just wanted to make sure you have all the information you need to join our [event] - do you have any questions about the event details?

[If they confirm attendance] Great! Thank you so much. Our goal is to make (x amount) of [metric: phonebanking, convos, dollars, etc] and it looks like if everyone shows up, we will hit our goal!

- **[Follow Up Ask #1:]** Do you have any friends that would be able to join us at that time as well?
- **[Follow Up Ask #2:]** Amazing, could you also share the event on your Facebook or email it to your friends?
- **[Follow Up Ask #3:]** While I have you, do [day of the week] usually work well for you? We're [phonebanking / textbanking] at this time every week, and I can put you down for the following [day of the week] as well.

Great, you will receive an email with all the details shortly. We're so excited that you can join us; this is how we win! See you on [day] at [shift time]!

[If they can maybe attend] Great! We really hope you can join us at [date / time]. Either way, I'll send you an email with all the information for your shift. In order to hit our goal, we will need all the help we can get. Do you have any friends that would be able to join us at that time as well?

[If they decline attendance] Sorry to miss you! Since you can't make it at [shift time 1], can I put you down for [shift time 2] or would [shift time 3] work better?

Thank you so much for your time! Have a good day / night!
