

**To my precious little girl,**

This is the biggest day of my life as today I became the [grandfather or grandmother] and I received a little angel in the form of my sweetest granddaughter sent by God, who will soon start calling me [mention what she will be calling you].

I still remember when your [mother or father] was born, it was a beautiful experience and I am so glad that I am one of the first to hold you. You are the most beautiful and prettiest little thing I have ever seen.

Just like how your [mother or father] had a special set of names given by me, soon I will give you some too and I am sure my precious little girl is going to love them.

As this is the first day of your life, seeing this world for the first time, there are several things I want to tell you. Remember, you are and you will always be deeply loved since you are my first grandchild. My love for you will always be there, I will never get angry with you, no matter what you do, I will always support you, even the times your parents might not and I will make sure to protect you with all my strength and power all my life.

As long as I live, I will help you to grow into a fine young woman with great virtues and I will never ever let you suffer for anything.

You will always be a special person in my life, dear.

**Love you tons my sugar pie,**

**Always stay blessed and happy**

**[mention the name by which you want her to call you]**
