# SCHOOL LANE CHARTER SCHOOL

*Inquiry. Inclusion. International Mindedness.*

Dear SLCS Families,

The end of the year is a very exciting time! We would like to take some time to celebrate the end of the year with some special alphabet countdown activities. Some days involve dress down day themes, some allow students to bring an item into school from home, and others will simply be completed with your child's classroom teacher. Please keep in mind these are optional for your child to participate in. Please see the schedule below for a list of what we will be doing.

**SLCS End of the Year Countdown Schedule**
