

REGION 37 GALAXY NIGHT SEPTEMBER 20, 2025 7:30pm

DEADLINE FOR REQUEST 8/24/25

All registered players **6u - 19u, Core, Wolves, & Extra** get a FREE Galaxy ticket. Due to the seats being in different sections, we have to distribute them a little differently than we used to in order to ensure families are seated together. We have to set a deadline on ticket counts to make sure they get to the teams in a timely manner. We need exact player counts from each team planning on attending the game. We will also need to know the names of all siblings & their team numbers that are registered players to make sure their tickets go with their families as well. Ask the family if they want the siblings ticket to be allocated to your team and to let the other coach know so they do not double request the ticket.

ONLY ONE FORM FOR EACH TEAM. DO NOT SEND INDIVIDUAL REQUESTS OUTSIDE OF YOUR TEAM REQUEST. THIS NEEDS TO BE DONE BY THE COACH OR TEAM MANAGER.

All tickets will be sent to the contact listed on the request form via the AXS App. This person will then distribute them to their team. All persons going have to have this app!

Each additional family ticket **NEEDS TO BE PURCHASED FOR \$32/ticket**. Every team needs to submit the ticket request form by the deadline to ensure they get their FREE tickets as well as the additional **PAID** family tickets. After the deadline the tickets will only be available for purchasing via a link directly through Galaxy and will be limited as it is also available to the general public. If purchased through this link, you **will not** get a seat with the rest of the family. After submitting the ticket request form, we will send you an email with information on total cost for your additional tickets, if any, and

information on how to submit the payment as a team. The payment needs to be gathered by your team manager and submitted as a whole team.

Example- 6u team has all 10 players attending and needs an additional 10 tickets. Additional Siblings tickets allocated to this team will be- John Smith team 1002, Jane Smith team 1051. TOTAL tickets needed are 22 tickets (12 free to include 10 players for your team, 2 sibling players, & 10 paid family @\$32/EA) at a total cost of \$320.

Please reach out to teammanager@ayso37.org for any questions.
