Anime/Manga

As of now, most people want to watch anime, so we'll be doing that for a while.

Binging

We will binge for two-three hours per day. So if we start at 11pm BST, we will binge like 3-6 episodes from 5pm - 7 pm BST.

For now, we'll be watching 3+ episodes every Friday/Saturday at 6pm BST! (check the twitter logs for the details!)
