

Guiding Light Academy Learning Links

Free Resources/Websites:

1. Scholastic: <https://classroommagazines.scholastic.com/support/learnathome.html>

You will have to first set up a free Book Flix or Watch & Learn Library account (login: Learning20 password: Clifford). You will then have access to 15 days works of stories to watch, activities and books to read. This site will also allow for you to go on virtual field trips and can be accessed on any device.

2. Storyline Online <https://www.storylineonline.net/>

This site allows you and your child to listen to hundreds of different children's books online.

3. Mystery Science <https://mysteryscience.com/school-closure-planning>

Explore different science lessons to do at home. There is no login or account needed. They can watch different videos for mini science lessons, or they can complete a full lesson which comes with hands on materials that correspond to the different lessons.

4. Typing Club <https://www.typingclub.com/sportal/program-3.game>

Students can learn the proper way to type on a computer using this website.

5. Virtual Field Trips

https://docs.google.com/document/d/1SvldgTx9djKO6SjyvPDsoGlkgE3iExmi3qh2KRRku_w/mobilebasic?urp=gmail_link

Take over 30 virtual field trips from the comfort of your own home!
