

San Andreas Fire & Rescue

Press Release

23 August 2024

FOR IMMEDIATE RELEASE

We are excited to announce that we will be opening up applications for both Firefighters and Medical professionals this **Friday, August 23, 2024, at 2 pm EST**. Applications will remain open until **Friday, September 6, 2024 at 2 pm EST**.

What is San Andreas Fire Rescue?

- We are a State-wide agency funded through the citizens of San Andreas for emergency medical services and firefighting operations. We operate across the entire state of San Andreas and work closely with neighboring agencies, such as the San Andreas Parks Department, Los Santos Police Department, Blaine County Sheriff's Office, and San Andreas State Troopers.

What divisions does SAFR have?

- **Fire** - Our fire department operates a fleet of MTL Fire Engines, used in a variety of situations, including (but not limited to) Structure fires, Motor Vehicle Accidents, technical rescues, and more! All firefighters gain their EMT certificate.
- **Medical EMT/Paramedic**: Our EMTs handle a wide range of calls, from patients with wounds to burns and animal attacks. We see it all. Operate a wide fleet of vehicles (Such as the VAPID Sandstorm, Express Medical Van, and Rumpo Ambulance)
- **Marine** - Patrol the Vespucci Beach coastline on Lifeguard duty, respond to calls in lakes and oceans alongside our counterparts with the Coastguard (SA Parks Department).
- **Aviation** - Explore San Andreas from new heights, transporting flight medics to difficult-to-reach areas and aid in the transport of medics and patients to area hospitals.
- **Flight Medics** - FAST rope (rappel) out into difficult-to-reach calls, giving our patients care quickly on mountainsides and other hard-to-reach places.
- **Critical Care Paramedic** - Learn how to handle some of the most critically ill or injured cases we see, often involving complex procedures, medications, and equipment typically found in intensive care units.

Where to apply? Click [this link](#), the application will be viewable after 2pm EST on the 23rd.

We're excited to see your application!
