SELECTIVE SERVICE SYSTEM

What is Take It Down?

Take It Down is a free service that can help you remove or stop the online sharing of nude, partially nude, or sexually explicit images or videos taken of you when you were under 18 years old. You can remain anonymous while using the service and you won't have to send your images or videos to anyone. Take It Down will work on public or unencrypted online platforms that have agreed to participate.

It's scary when this happens to you, but it can happen to anyone. You've taken the first step, and this service is here to help you with the next steps. Take It Down is a service provided by the [National Center for Missing & Exploited Children](https://takeitdown.ncmec.org/). <https://takeitdown.ncmec.org/>

Tik Tok Screen Limit

Hidden in Plain Sight is a mobile education experience. It provides a platform to initiate tough conversations between parents and their children. This exhibit educates parents and guardians with clues that their child might be involved in risky behavior such as self-harm, sexual activity or drug usage.

The Hidden in Plain Sight exhibit will be AT SHELBYVILLE HIGH SCHOOL DURING THE OPEN HOUSE/PARENT CONFERENCES THIS WEDNESDAY, MARCH 29, 2023.
