Dear Fox C-6 Families,

Since the start of the COVID-19 pandemic in 2020, school meals have been provided free of charge to all Fox C-6 students. These free meals were available through a USDA waiver. Unfortunately, this waiver expires at the end of the regular school year, May 27, 2022.

Families should complete a free and reduced meal application as soon as possible, especially those families attending Fox Summer school. Breakfast and lunch will be available for students each day. Starting the first day of summer school, June 2, breakfast and lunch meals will be charged to students unless they qualify for free and reduced meals. Breakfast is \$1.60 and Lunch is \$2.95 for K-4 or \$3.05 for 5-12 grades.

Families can complete an electronic free and reduced meal application through the [ParentPortal](#) either on a computer or through the Tyler Student 360 mobile application. Families will also need to reapply after July 1 for the 2022-2023 school year.

To access the Free and Reduced Meal application from a desktop or laptop computer, log in to the Parent Portal and click "Free/Reduced Meal Application" under the "School Life" heading on the left side of the screen. To access the Free and Reduced Meal application from the Student 360 mobile application, tap the three lines in the top left corner of the app, then tap Free/Reduced Meal Application.

Should you have any questions, please contact the School Food & Nutrition Services Department at 636-282-1465.
