Why Sponsor/Donate?

When you sponsor the Inspirata Dance Project (IDP), you're doing more than supporting a performance—you're investing in the transformative power of the arts. Your partnership helps bring bold, professional-level dance to Southern Idaho, enriches our community's cultural life, and inspires audiences of all ages.

From the stage of the historic Orpheum Theatre to outreach programs that reach new audiences, your support helps us create moments that move people—and puts your business in the spotlight as a champion of the arts.

A Note from the Artistic Director

As the Artistic Director of the Inspirata Dance Project, I've seen how dance can transform lives—on stage, in the studio, and throughout our community. Each production is a chance to tell powerful stories, spark emotion, and bring people together through the language of movement.

Your sponsorship/donation makes that possible. It fuels not only beautiful performances at the Orpheum Theatre, but also opportunities for dancers to grow, audiences to be inspired, and the arts to thrive in Southern Idaho.

Thank you for supporting this vision and helping us create something truly extraordinary. We are grateful for your commitment to creativity, community, and culture in the Magic Valley.
