

Ext: Pond

Open with Dad and two kids fishing.

Dad

Ah, love fishin with my boys. Being out in nature.

Kid 1

Wish we could have gone to the museum.

Dad

[deep breath] Fresh air in your lungs, surrounded by all this grasssss [makes smoking gesture]

Kid 2

Kentucky bluegrass is pretty soft I guess.

Dad

Soo you know the different strains of grass eh? Well tell me, which one burns the cleanest?

[Dad picks up a bundle of grass and goes to start burning it]

Kid 2

Dad, we haven't covered that yet and I don't think Smokey would be ok with us experimenting.

Dad

Ah ha! So that's the name of your dealer, Smokey! I should have known.

Kid 1

Smokey the bear? Dad - you don't know Smokey?

Dad

This bear talks to you?

Kid 2

Yea

Dad

What does he look like?

Kid 2

Bout this tall, wears khaki pants and no shirt. Loves talking to kids.

Dad

Hallucinations! It's worse than I thought. [long pause] is it Molly?

Kid 1

Molly?

Kid 2

I wouldn't go near Molly with a ten foot pole.

Dad

Son you can tell me.

Kid 1

Dad, we're all pretty sure that Molly is homeless, it's actually pretty sad.

Dad

Homeless? So you've been spending time downtown?

Kid 2

How?! We don't drive.

Dad

So he knows where we live? He comes to our house?!

Kid 1

Dad have you taken your pills today?

Dad

[gasp] My son's become a drug pusher.
