

Pre-class Questionnaire #8

1. Your final assignment in this class is to write a professional identity reflection. When you read the section about “Professional Identity” , what parts of this section are most meaningful to you?
2. Think about your first day at your internship. How have you changed and grown?
3. What are the unique qualities and skills you bring to the profession, and how can they help you and hinder you?
4. What does it mean to say that women of color perform “emotional labor” and pay an “emotional tax”?
5. From watching the "Decolonizing Social Work" video, what would you say are the 2 -3 main points?
6. Why might equity considerations be important in budget making decisions?
