Member reports:

New Athens is now capable of trade with other nations. Barbecue rub and sauces are our main

exports at the moment. My father competed in professional-level barbecue competitions for 6 years and was ranked top 10 in the USA in chicken, ribs, pork and brisket. The sauce and rub we trade is the recipe he used in competitions. I posted a photo on our Twitter. We'd love to engage in trade with others.

Northwood-Oregon is currently working on a revised economic system after finishing designs of its new currency. The new system is planning to be much more centralized and include a plan for printing the new currency.

The Imperial Grand Duchy of Lundenwic will be transforming the position of Prime Minister to hold greater powers in office with limited interference from the Imperial Grand Duke. This is not a coup. The title will be renamed to Dryhten of Lundenwic and will still share the executive powers of Lundenwic with the Imperial Grand Duke.

The Soyuzist Republic diplomatic first campaign of December has been delayed until July, but time hasn't gone to waste as the Republic has gained 500 euros to go to the project as delayment payment. The Soyuzist Republic is also preparing to release a national march as an homage to the diplomatic missions done so far. Nadim al Magrebi, terror organisation of northern Morocco funded by AQ, has still yet to be located by the YPM, but knowledge on hashish businesses are currently being gathered.

Session transcript:

9:07 AM] Lord Mike Lewis - Lundenwic: Afternoon all, I'll begin the session. Could you state your presence? @Members @Observers

[9:07 AM] Carson S. - Northwood-Oregon: Northwood-Oregon is present.

[9:07 AM] Larry Martin - Waterside Park: Waterside Park is present.

[9:07 AM] Tyler Mullins - New Athens: New Athens is present

[9:10 AM] Lord Mike Lewis - Lundenwic: Thank you all for attending. The first item on the agenda is about a CA minecraft server. I know that the GUM has one and it is very popular. Does anyone have any thoughts on this?

[9:11 AM] Carson S. - Northwood-Oregon: I definitely think that that is something we should do. Wasn't there some free way to do it I heard mentioned using a Google cloud thing?

[9:11 AM] Tyler Mullins - New Athens: For additional context, the plan would be to host a java server on the New Athens server and include a plugin that allows bedrock players to join it as well.

[9:11 AM] Larry Martin - Waterside Park: I support the creation of a CA minecraft server, but I'm concerned that there might not be enough people here to start a session?

[9:12 AM] Carson S. - Northwood-Oregon: Is there a certain number? I thought as long as we could have discussion we could have one.

[9:12 AM] Lord Mike Lewis - Lundenwic: I understand your concern, however we have had sessions in the past with this many in attendance

[9:12 AM] Tyler Mullins - New Athens: Well this agenda only includes discussions, so Roberts Rules allows us to continue

[9:13 AM] Lord Mike Lewis - Lundenwic: Ok, if there is nothing to add about the CA minecraft server, I'll move on.

[9:14 AM] Lord Mike Lewis - Lundenwic: Next we have the agenda of the digital summit:

[9:15 AM] Larry Martin - Waterside Park: Have we have any ideas for guest talks, yet?

[9:15 AM] Tyler Mullins - New Athens: It's one week from today. As of right now, we won't be doing a treaty. If you'd like to give a presentation, send me a message.

[9:16 AM] Lord Mike Lewis - Lundenwic: I could always do a presentation on Lundenwic. I'm guessing presentations would need to be centred on micronationalism?

[9:16 AM] Larry Martin - Waterside Park: Yes

[9:16 AM] Tyler Mullins - New Athens: Yes

[9:16 AM] Lord Mike Lewis - Lundenwic: Perfect!

[9:17 AM] Tyler Mullins - New Athens: I was thinking about inviting Jonathan of Austenasia

[9:17 AM] Larry Martin - Waterside Park: OK

[9:17 AM] Carson S. - Northwood-Oregon: I would like to do a presentation but I wouldn't be sure who else to invite.

[9:18 AM] Lord Mike Lewis - Lundenwic: It's Jon, but that is not a bad call. Are we actively looking for people outside of the organisation?

[9:19 AM] Carson S. - Northwood-Oregon: For the guests I'd think we want to get that diversify.

[9:19 AM] Tyler Mullins - New Athens: Yes ideally we'd get a few guest speakers

[9:19 AM] Tyler Mullins - New Athens: But I just don't know who

[9:20 AM] Carson S. - Northwood-Oregon: Are we going to limit it to people we invite?

[9:20 AM] Carson S. - Northwood-Oregon: As opposed to an open call.

[9:20 AM] Tyler Mullins - New Athens: I concur

[9:21 AM] Lord Mike Lewis - Lundenwic: Perhaps we could ask members for suggestions and see if those suggested are willing to participate? I'd quite like to ask Jack Dean. I've seen him present before.

[9:22 AM] Carson S. - Northwood-Oregon: I think that would be good. Is there a standing committee open on the summit?

[9:22 AM] Tyler Mullins - New Athens: Yes, summit-and-events-standing-committee

[9:23 AM] Carson S. - Northwood-Oregon: Alright, we could start gathering suggestions there among other things we need.

[9:23 AM] Lord Mike Lewis - Lundenwic: Perfect. I suggest we move on and further discussion be moved there.

- [9:23 AM] Carson S. - Northwood-Oregon: That sounds good with me.
- [9:24 AM] Lord Mike Lewis - Lundenwic: Next on the agenda is the start of a new Noted! project. As I understand the aim is to mail a letter to as many members as possible.
- [9:25 AM] Carson S. - Northwood-Oregon: I definitely would like to see that project either continue or start again.
- [9:25 AM] Carson S. - Northwood-Oregon: Did we have a goal of if to continue or just start from the beginning?
- [9:25 AM] Lord Mike Lewis - Lundenwic: The previous incarnation was successful, however, I am very wary of minors sharing their addresses with others, which was why I was not involved in the last round.
- [9:25 AM] Tyler Mullins - New Athens: I'd participate if we did another round
- [9:26 AM] Tyler Mullins - New Athens: I'd start a new one
- [9:26 AM] Carson S. - Northwood-Oregon: I think the way they minimized that in the past was that only the person holding the letter and was sending it was told the address as opposed to the whole group.
- [9:26 AM] Tyler Mullins - New Athens: Yes that's true
- [9:27 AM] Carson S. - Northwood-Oregon: We could though, hypothetically, advise minors to have the letter sent to an older relative's address or PO Box if they have access to that? In order to give a layer of separation.
- [9:27 AM] Lord Mike Lewis - Lundenwic: Yes, but that still doesn't quite eliminate the risks involved. It makes me uneasy, but if the Chair and Supreme Justice are fine with it, I'm happy.
- [9:27 AM] Lord Mike Lewis - Lundenwic: This could be a compromise.
- [9:28 AM] Lord Mike Lewis - Lundenwic: I don't meant to put a spanner in the works of these activities, just want to make sure that we are not putting people at risk needlessly.
- [9:29 AM] Lord Mike Lewis - Lundenwic: It's a great idea and I do believe there are ways of getting around this. I think we need a bit more discussion around it though.
- [9:29 AM] Lord Mike Lewis - Lundenwic: For now, I'll move on.
- [9:30 AM] Carson S. - Northwood-Oregon: I concur.
- [9:30 AM] Lord Mike Lewis - Lundenwic: The next item is the new Charter. A huge thank you to @Carson S. - Northwood-Oregon for drafting it and @Tyler Mullins - New Athens for reviewing it. The Charter can be found here:
https://docs.google.com/document/d/1UIFl9xKC4kzhKT4-5E9CGLvOUls7DQM_UAkFDrt7ow/edit?usp=sharing
- [9:32 AM] Tyler Mullins - New Athens: @Daniel Hamilton – West Sayville and @Charles Burgardt - Pinelandia reviewed it as well.
- [9:32 AM] Lord Mike Lewis - Lundenwic: I don't think we can reasonably read and discuss it all in this session, so I invite members to read in their own time, maybe make some notes and add them to the Charter-Standing-Committee channel.
- [9:33 AM] Lord Mike Lewis - Lundenwic: I apologise to the two I missed. I was unaware of your contributions, so thank you too.
- [9:33 AM] Hicham Soyuz - Soyuzist Republic: The soyuzist republic is present for a short duration
- [9:33 AM] Larry Martin - Waterside Park: I believe that Article 19 should include a lower age limit of 13.
- [9:34 AM] Lord Mike Lewis - Lundenwic: Could I ask that this is taken to the appropriate channel than being discussed in this session?
- [9:35 AM] Lord Mike Lewis - Lundenwic: The last item on the agenda is Any Other Business. So does anyone present have anything to add?
- [9:36 AM] Tyler Mullins - New Athens: I have none, just member reports now I suppose
- [9:37 AM] Carson S. - Northwood-Oregon: I don't have anything either.

[9:37 AM] Lord Mike Lewis - Lundenwic: Indeed. Brilliant! I'll leave the floor open for members to present reports. I'll give you 5 minutes to do so.

[9:37 AM] Tyler Mullins - New Athens: New Athens is now capable of trade with other nations. Barbecue rub and sauces are our main exports at the moment. My father competed in professional-level barbecue competitions for 6 years and was ranked top 10 in the USA in chicken, ribs, pork and brisket. The sauce and rub we trade is the recipe he used in competitions. I posted a photo on our Twitter. We'd love to engage in trade with others.

[9:39 AM] Carson S. - Northwood-Oregon: Northwood-Oregon is currently working on a revised economic system after finishing designs of its new currency. The new system is planning to be much more centralized and include a plan for printing the new currency.

[9:40 AM] Lord Mike Lewis - Lundenwic: The Imperial Grand Duchy of Lundenwic will be transforming the position of Prime Minister to hold greater powers in office with limited interference from the Imperial Grand Duke. This is not a coup. The title will be renamed to Dryhten of Lundenwic and will still share the executive powers of Lundenwic with the Imperial Grand Duke.

[9:41 AM] Lord Mike Lewis - Lundenwic: And with that I will adjourn the session. Thank you for those that attended and I apologise that the session was a little late to start.

[9:47 AM] Hicham Soyuz - Soyuzist Republic: The Soyuzist Republic diplomatic first campaign of December has been delayed until July, but time hasn't gone to waste as the Republic has gained 500 euros to go to the project as delayment payment. The Soyuzist Republic is also preparing to release a national march as an homage to the diplomatic missions done so far.
