Registration payments are due by **Friday, August 30**.

Travel League To Do List

1. Phone Seeding Appointment: Schedule a registration/seeding phone appointment with me, **between Monday June 24 and Friday July 16** to go over your teams and their seeding placements.

Team List: Email a list of all your Fall 2024 teams at least 2 days prior to your phone appointment and be ready to give short explanations regarding team placement, if asked for. List boys first, youngest to oldest, highest to lowest division, then girls. Be sure to indicate gender, age, seeding request, S24 div, proposed F24 division, seeding notes, if a new team, if merged, and which teams have disbanded (see format attached.)

Team Registration: The first step is to register all teams with ENYYSA at [HERE](#). All teams must be registered and built in the WYSL/ENYYSA 2024-2025 Travel & Recreational Team Registration and Rosters event. Go to club page/club management/teams/registration/choose event WYSL/ENYYSA 2024-2025 Travel & Recreational Team Registration and Rosters event, then select teams and Set comp level to Travel.. Teams **must be registered** before they can complete an application.

If clubs would like to keep all of their out-of-Wysl teams (i.e. EDP, tournament only teams) under the same WYSL registration umbrella, clubs now have the option to register any outside League teams in

our new event called WYSL/ENYYSA 2024-2025 Premier Team Registration and Rosters. (Note: “Premier” does not refer to WYSL Premier league teams.) Link is [HERE](#).

Make the Current Age of a team the age of the oldest player on that team and make sure that the Event Age is the same as the Current Age (unless playing up).

Team Application: The second step (after ENYYSA registration) is to fill out a **Team Application** for **EACH** team for the Fall season: [HERE](#).

The Fall 2024 Team Application site is open now. All applications must be entered by July 19. You may revise a team application up until July 28th. Any notes about team seeding put in the Team Application must be entered by July 16th for them to be considered in the seeding process. Any scheduling requests (coach, general, special) entered after July 28th may not be honored.

Reminder: You won’t see and can’t fill out a Team Application until the team is registered with ENYYSA!

2. Registration Fees/Fines Checks: Based on your F24 team list, an invoice will be emailed to each club. Team registration fees (as well as any outstanding forfeit fees and fines from the previous season owed by your club) **must** be received by the end of registration period (**July 16**) in two separate checks: one for F24 registration and one for S23 fines, made payable to WYSL and mailed to:

**Westchester Youth Soccer League
228 Park Ave S.
PMB 94390
New York, New York 10003-1502**

3. Max Roster Limit: teams in travel and premier in all age brackets will be allowed to expand their rosters up to 26 players if they so choose. There is a fee of **\$30.00** per player for each player above the normal team roster limit (see team age graph above for minimum and maximum team rosters.)

4. Club Contact Info: Club contacts are entered online at GotSport (GS) on your club page. Please supply updated names, cell & work phone numbers, and e-mails for the following: president, registrar/commissioner, field contact, referee coordinator, score reporter (and Rec administrator if applicable). Keep online contacts current. Tell Lee if Presidents or Registrars have changed.

5. Birth Certificates & Photos: Birth certificates must be uploaded on your club site at GS to be verified by the League. Photos (headshots only) must be replaced every 3 years.

6. Field Information: All club field information must be entered between **July 19** (once teams have been added to GS divisions) and by the deadline of **July 26**. See instructions [HERE](#). To add a new field or change a field name, e-mail the scheduler at <terrybenson@nyc.rr.com>. Note: You cannot add fields until at least 1 of your teams has been entered into a division – check with Lee and Terry.

7. Special Team Requests: The team application must include all team special schedule requests, general requests, or coach coordination requests. Enter requests as soon as possible. The league will review all requests. Scheduling starts on **August 1st** – a little over five weeks before the first game.

An individual may be **head coach for only two teams** and the league will only coordinate games for the sole head coach of two WYSL teams playing in the league season. We do not coordinate for co-head coaches, trainers, assistant coaches, or club officials. We do not coordinate with schedules of

other leagues or other sports. Between the posting of the final schedule (scheduled for August 15th) and the first game of the season on September 8th teams may adjust the schedule of *any* game - **with the agreement of the opponent.**

8. **Co-insured Form:** All insurance certificates are handled by the **clubs**. Co-insured information to be filled out [HERE](#).

9. **Coaches:** To be licensed a coach must be in compliance with ENYYSA requirements (license, background check, Heads-Up) as well as WYSL requirements (Intro and PCA courses.) A coach who failed to take the courses in the spring must take classes offered over the winter in order to coach in the spring season. Course/class information will be posted and distributed.

10. **Registration:** Players are considered free agents after 7/31/24. Staff would expire 7/31/2024 or 7/31/2025 depending on when their membership was processed.

New Player(s) ONLY: New players to WYSL travel soccer must submit a birth certificate and upload a recent passport-sized headshot photo.

11. **Medical Release:** All players must fill out a medical release form to be kept by their team. This is valid as long as the player stays with the same club and the information has not changed.
