

Week 1: Genesis

After our first session, it's time to get your hands dirty!

This week's tasks are all about deepening your understanding of EigenLayer, getting active on Twitter, and starting to build your personal brand.

Special for Week 1:

Everyone earns XP based on submissions, not judging quality yet. From next week, only the best posts will get rewarded. So, use this free pass wisely!

Tasks & XP Rewards

1. **Define Eigenlayer (10 XP)**

Quote Tweet the below post with a better/new definition of EigenLayer based on what you've learned so far.

Post: <https://x.com/Oxcoordinated/status/1902940734421954939>

2. **Go through Sreeram's Podcast. (20XP)**

- watch this podcast: <https://x.com/Oxcoordinated/status/1891854455940976814/video/1>
- share a **2-minute short** of your favorite part of the conversation.
- tag Sreeram/Coordinated, explaining why you liked it/why it matters.

3. **A deep dive into Eigenlayer (50 XP)**

A thread/longform post simplifying eigenlayer tech.

Cover the following points:

- eth staking to eigen restaking
- four-sided marketplace: stakers, operators, AVSs, consumers
- eigenlayer = verifiable cloud
- why it matters

4. **Memes (5 XP)**

Create and share memes related to anything in the EigenLayer ecosystem.

Submission Guidelines

- Post everything on Twitter.
- Minimum 1 task submission to qualify.

- Max 4 different submissions (1 per task).
- Full AI-gen or total shitposts = disqualified.

Why Participate?

- Beat the fear of posting.
- Resources, guidance, accountability, we got you.
- Start building your personal brand.
- More XP = More rewards = More opportunities.

Deadline: Wednesday, 16th April, 08:00 PM IST

Looking forward to seeing your submissions, LFG!!!
