<b>Charlie:</b>  I like life in Paddy's Pub... (Charlie sings the ode to Paddy's Pub in tribute and carries out underneath all the bites and shots.)	Shot of Charlie playing on keyboard, possibly an exterior shot of Paddy's. Shot of the gang fake smiling at Mac from across the bar...clearly you see tension in their faces.
<b>Dee:</b>  YOU SONS OF BITCHES!!!!!!	Title Card: "Paddy's is back" Shot of gang dancing in the pub.  Title Card: "And Nobody Knows Your Name (still)." Dee freaking out in the pub and throws glasses at all the patrons and the gang.
<b>VO:</b>  New Episodes of Always Sunny Return Thursday at 10:	Endpage.
