**In my wilderness
I'm not comfortless**

He is there
Savior

Holy Counselor
Friend and Rescuer

**He is Hope
Savior. Savior.**

**In forgiveness
He is wond'rous**

He is love

Savior

He will hear me,

Comfort, cheer me

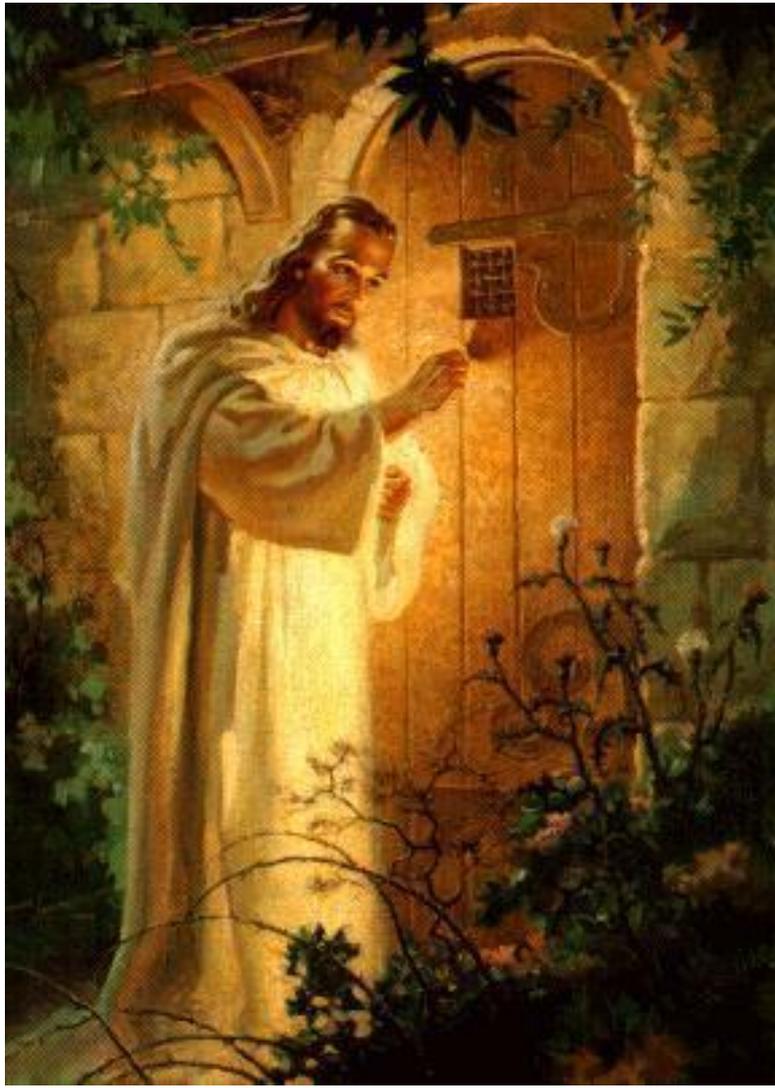

**Loves me dearly
Savior. Savior.**

**And I'll praise Him
evermore**

He opened

Heaven's door
Give my heart to
Him

He let me in

**In His kindness
He is gladness**

He is joy

Savior

Gave His life for me

Paid the price for me

**He is my
Savior. Savior**

Ooohhhh

Ooohhhh

He is my Savior
