 - The Board is working on the Bond process for a large addition to the High School
 - Dr. Wagle discussed the pending AEA legislation and the potential impacts it could have on PVCSD. He also informed guests that there is a safety bill pending that would allow school staff to carry weapons on school grounds. He encouraged guests to be in contact with their local legislators.
 - Lastly, he spoke with guests about Supplemental State Aid (SSA) which is money we get from the State each year for us to budget for next year. We are currently waiting for the state for that percentage.
 - In summary, Dr. Wagle reminded attendees that these are OUR kids and we must be informed and involved in the legislative process so that decisions in Des Moines are reflective of your views and we can make sure Iowa kids are getting the very best education possible.

4. Treasurer's Report

5. Principally Speaking

- Mrs. Richardson shared how impressed she was with the confidence displayed at the Variety Show
- She highlighted that we were able to give about \$7,000 in books back into classrooms thanks to all of you for your support in the Scholastic Book Fair!
- Reminder: there is no school next Friday!
- She informed guests that there will be a shuttle bus to our school to help alleviate parking on the day of the Spring Program - you must reserve your spot on the shuttle bus. An enews will be coming out soon!
- V.I.P. day is the day after the Spring Program - there will also be a shuttle bus on that day. If a grandparent is not able to attend, another special guest is a fine replacement. We ask that the child's parent NOT be their special guest. Several students do not bring a guest that day - we pair students without a guest up with other students who do have a guest.
