

LAKE COUNTY CASCADING HAZARDS

Name: _____

Date: _____

Take Action - Student Worksheet

In groups of two or three, develop a plan for a two-minute video on emergency preparedness to share on social media. Begin by exploring the resources below to choose an action to focus on.

Lake County Resources

- [Lake County Office of Emergency Services Disaster Preparedness & Recovery](#)

Action ideas:

- Get alerts
- Know your zone
- Make a plan
- Prepare your home
- Help your community

- [Lake County Fire Safe Council](#)

Action ideas:

- Evacuation packing list
- Home hardening
- Backup power & generator
- Pet and/or livestock evacuation plan

Wildfire Preparedness Resources

- [Fire Adapted Communities Learning Network Project List](#)

Action ideas:

- Reflective address sign
- Replace your indoor air filter
- Call neighbors to ask about their evacuation plans

Emergency Preparedness Resources

- [Make a Plan](#)

Action idea:

- Create a Family Emergency Communication Plan

- [Build a Kit](#)

Action idea:

- Make a basic disaster supplies kit for your family

LAKE COUNTY CASCADING HAZARDS

Name: _____

Date: _____

Develop ideas for a 2-minute video highlighting an action you can take to prepare for a natural hazard. The video should give clear instructions on how community members can take the action. Use the storyboard below to sketch your plan for your video.
