- Treasurer's Report-
- Balance \$4579.78, deposit since January was a \$20 check dated in December, zero revtrak donations and expenses. No checks since January.
- Dawn will send revtrak contacts.
- Principal's Report – Headed into last week before spring break. After break, state testing. 3 days of testing, parkside in a couple categories and looking for an increase on performance – put best effort to show true reflection. Fast bridge – A reading and A math. Planning for next year and be prepared. 5<sup>th</sup> grade band will continue so plan is being established. No staff reductions – only potential would be a traveling orchestra teacher (pending). Continue to monitor numbers.

Student question – when will all kids be able to eat in the lunchroom? Not going to happen in 22/23 school year.
