SUBJECT LINE: I love him, I love him not

BODY TEXT:

Hey {first name}, it's {your name} here...

This one you're going to like.

[Look at how a woman made a man fall madly in love with her](#) within days...

Don't ask me why it works.

It certainly doesn't involve supernatural powers, and I don't know what happens when you say it.

But it's worked for thousands of women and I'm sure it will work for you.

It's a secret phrase that you probably already know, but I'm going to say it anyway, and I'm going to tell you why it works.

It's so simple that it seems silly. It's the sort of phrase that a teenager might make up to impress a girl.

Yet it works. Check it out...

According to psychology, men have two secret words they repeat over and over, even if they don't mean them.

They are "I hate you" and "I am leaving."

To put it another way, the words you say aren't important, the words you don't say are.

[I show you](#) a simple, time-tested, foolproof technique that will guarantee his undying attention...

Talk soon,

{your name}
