

Clark County School District Fall 2025 Curriculum Commission Approved Courses

Description

The changes described below were approved by the Clark County School District (District) Fall 2025 Curriculum Commission on September 30, 2025. The changes will be included in the Infinite Campus (IC) course file on January 13, 2026, available for use during the 2026–2027 school year, unless otherwise noted. The [Fall 2025 Curriculum Commission Approved Courses](#) folder contains the approved Scope and Goals document for each approved course. These Scope and Goals documents will be available in the District Curriculum Hub on January 9, 2026.

Fall 2025 Curriculum Commission Approved Courses will be an agenda item at the virtual Middle School Curriculum Administrator Meetings and High School Curriculum Administrator Meetings on December 3 and 4, 2025.

The following key helps to delineate specific details about various courses.
