

Privacy Policy for The Kiddy-Learn With Fun

Effective Date: 1-03-2024

Welcome to "The Kiddy-Learn With Fun," an interactive mobile game designed to make alphabet learning engaging and fun for kids. We are committed to protecting the privacy of all our users, including children, and comply with the California Consumer Privacy Act (CCPA), the Children's Online Privacy Protection Act (COPPA), and the General Data Protection Regulation (GDPR). This Privacy Policy outlines our practices regarding collecting, using, disclosing, and protecting your information.

Information Collection and Use

For a better experience while using our game, we may require you to provide us with certain personally identifiable information. The information that we request will be retained by us and used as described in this privacy policy.

Children's Privacy (COPPA)

We adhere to the Children's Online Privacy Protection Act (COPPA) and do not knowingly collect personal information from children under 13 without obtaining parental consent. If we learn that we have collected personal information from a child under 13 without verification of parental consent, we will delete that information as quickly as possible. If you believe we might have any information from or about a child under 13, please get in touch with us immediately.

California Privacy Rights (CCPA)

If you are a California resident, you have the right under the California Consumer Privacy Act (CCPA) to request access to and deletion of your personal information, to ask that your personal information not be sold, and to be informed about the categories of personal information collected and the purposes for which such information is used. To exercise these rights, please get in touch with us.

Data Protection Rights under GDPR

For users within the European Union, the General Data Protection Regulation (GDPR) grants you certain rights regarding your data, including the right to access, correct, delete, and restrict the processing of your data, the right to data portability, and the right to object to data processing. If you wish to exercise any of these rights, please get in touch with us.

Data Sharing

We do not sell, trade, or rent users' personal identification information to others. We may share generic aggregated demographic information not linked to any personal identification information regarding visitors and users with our business partners, trusted affiliates, and advertisers for the above purposes.

Data Security

We strive to use commercially acceptable means to protect your personal information, but no method of transmission over the internet or method of electronic storage is 100% secure.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.
