F-ZERO X - RTA in Japan Winter 2021

🇯🇵 Zeroken (#28 X Open) recently did a F-Zero X speedrun for the “RTA in Japan” speedrunning event. The category for the run was Grand Prix.

Check out the VOD of the run [▶ here](#) (run starts at 3:04).

F-ZERO GX Track Editor Progress

Lately there’s been some exciting development when it comes to creating a track editor for F-ZERO GX!

🇨🇦 StarkNebula has continued working on their toolset, and have recently made some significant improvements to it which is bringing the reality of a track editor for F-ZERO GX ever so closer.

Here’s a couple of videos showing what’s currently possible:

▶ [Testing loop track](#)

▶ [POC MuteCity First Circuit \(ver0.4\)](#)

Also [▶ check out this progress video](#) for more detailed information, and for the latest updates on the project, join the #fz-mods channel in the [🗨 FZN Discord](#).
