- Each team is allowed four entries per event, one relay per event, and two individual at-large entries. At-large entries are either one individual event for two different athletes, or two individual events for one athlete.
- The scratch table will close 20 minutes before the start of the field events. Both track events and field events will need to scratch at the scratch table. If an athlete is not scratched from an event, and does not show up for that event, then they are scratched from the remainder of the meet. This will be enforced.

- Field event warm-ups may only begin when the event official is present. All practicing will cease and implements will be returned to your team area once competition has finished.
- When leaving for a track event, athletes must excuse themselves with the field event official and return within 10 minutes.
- An athletic trainer will be available on site.
- This is a RIIL meet, so the finish line camera, hy-tek, and officials will be provided, but coaches will also need to work events. The following page lists coaches and officials assignments.
- There will be a \$5 cash admission fee for spectators at the gate, and concessions will be available for sale during the meet.
- Buses may drop off along the bus exit ramp which exits from the large parking lot to the left of Barrington High School and exits onto Federal Road. Buses may park along the exit road, or circle around and park in the large parking lot next to the school.
