

Projectum Bible – Privacy Policy

Date: 29.08.2025

1. Data Collection

Projectum Bible does not collect, store, or share personal data. We do not request names, emails, locations, or any other identifiable information.

The app does not and will not serve ads.

2. Data Handling

All data is stored locally on your device. Nothing is transmitted to us.

3. Upcoming Features

PrayBible is designed as an offline app. We do not plan to add online features.

You will be able to export and import your full data. Exports will remain in plain text so you can back them up or store them in notes as you choose.

4. Policy Updates

If online features are ever introduced, they will be added transparently and this policy will be updated. Alternatively, we may release a separate app (fork) for those features.

5. Contact
