

HCS WELLNESS COMMITTEE MEETING AGENDA

February 26, 2026

ROOM 1025 (Lorri's Room)

1. Conduct a review of the BOE Policy by determining levels of compliance in each area of the policy.
 - From the data that was gathered from the surveys, this list represents areas that were targeted as either "Not Compliant" or "Partially Compliant" and in many cases "Not Sure"

Top areas for growth based on the assessment of the District Wellness Policy:	Suggestions for ACTION to address these deficits:
All foods and beverages available for sale to students through fundraisers on the school campus during the school day will meet, at a minimum, the USDA Smart Snacks in School nutrition standards.	
School-sponsored fundraisers conducted outside of the school day will be encouraged to support the goals of this wellness policy by promoting the sale of healthy food items (fresh fruit and produce) and/or non-food items, such as water bottles, plants, etc., and by promoting events involving physical activity.	
District food service staff will meet with students in grades 4 through 12 twice annually to solicit feedback on the school breakfast and/or school lunch program(s).	
Promoting nutrition education activities that involve parents, students, and the community.	

<p>Providing families and teachers with a list of healthy party ideas, including non-food celebration ideas.</p>	
<p>Providing families with a list of classroom snacks and beverages that meet USDA Smart Snacks in School nutrition standards.</p>	
<p>Discouraging staff from using food as a reward or withholding food as punishment under any circumstance – teachers and other appropriate school staff will be provided with a list of alternative ways to reward students.</p>	
<p>Encouraging District staff to model healthy eating, drinking, and physical activity behaviors for students.</p>	
<p>The District supports active transport to and from school, i.e. walking or biking. The District will encourage this behavior by:</p> <ol style="list-style-type: none"> 1. Securing storage facilities for bicycles and equipment 2. Instructing students on walking and bicycling safety 3. Promoting use of protective wear, such as helmets 	
<p>School grounds and facilities will be made available to students, staff, community members and organizations, and agencies offering physical activity and nutrition programs consistent with District policy. Subject to provisions regarding conduct on school grounds and administrative approval of use by outside organizations</p>
