

BIMhoven's Privacy Policy

Effective Date: 28/7/2024

Introduction

BIMhoven ("we," "us," or "our") is committed to protecting your privacy. This Privacy Policy explains how we handle any personal information we may collect when you use our application, which is available on the Autodesk App Store.

1. Information We Do Not Collect

We do not collect any personal information from users of our application. This means:

- No personal data such as names, email addresses, phone numbers, or physical addresses.
- No usage data or analytics data.
- No device-specific information such as IP addresses or device identifiers.

2. Use of Data

Since we do not collect any personal information, we do not use any personal data for any purposes.

3. Sharing of Data

We do not share any personal information with any third parties because we do not collect any personal information.

4. Data Security

We take the security of your information seriously. Although we do not collect personal data, we have implemented appropriate technical and organizational measures to protect any data associated with the application from unauthorized access, alteration, or destruction.

5. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Any changes will be posted on this page with an updated effective date. We encourage you to review this Privacy Policy periodically for any changes. By continuing to use our application after those changes become effective, you agree to the revised Privacy Policy.
