Message for fans:

There he goes. That shitty panda is a fat liar with this last song thing. Hilarious.

So anyway, when's the concert.

Hah? September... How long are you gonna make me wait. This sucks.

Hey, Warms! Looks like you have a lot of time, so listen to my songs on repeat until you're dead.

And get perfectly ready for our new song too. If you don't, I'm cancelling the concert. See ya ☆

Judah: Kagaribi Radio. I'm in charge tonight. Anyway, just play the song.

Judah: Huh? Shut up. They'll know who I am even if I don't say my name. Anyone who can't tell my voice from that damn guitarist's isn't a Warm.

Judah: Also I don't feel like reading mail. Warms should shut up and listen to my songs.
