✨ MESSAGE 3 — The Gut Health System

📌 Message 3/8

Do you feel like your body is working against you instead of WITH you?

That's how so many people feel and why they turn to Plexus.

We help remove bad bacteria, increase gut health dramatically, and strengthen hormone signals.

THE GUT HEALTH SYSTEM

SLIM MICROBIOME ACTIVATING
Clinically-proven prebiotic blood sugar balancer drink that helps improve your gut health, mood, metabolism, blood pressure, & hydration. Colored by beets and sweetened naturally.

PROBIOS
A probiotic, anti-fungal, & digestive enzyme blend that helps to get rid of bad yeast in your gut and repopulates it with good bacterial 3-in-1!

BIOCLEANSE
A magnesium + vitamin C supplement that helps reduce bloating, and GI discomfort while supporting the immune function. It helps with: bathroom regularity, muscle fatigue, hormones, and sleep.

SYSTEM Results

Slim was one of the very first products I ordered to help with my migraines 🤢 acid reflux 🤢 and IBS 🤢. Triplex also helped me with my blood pressure, weight (50ish lbs off 50 lbs to go), balance my blood sugars, and in turn, my hormones. It's been three years and one month since I've started working on my gut health. I'm off all of my meds except one blood pressure. (I'm down to one per week) Migraines, IBS, acid reflux, high bp, and the pre-diabetes?? That's all a thing of the past!! I feel amazing. I even hired a coach. 🥰 Life is too short to feel like crap!!

SYSTEM Results

Restless sleep, exhaustion, addiction to sugar and carbs, joint pain, moodiness, IBS-C, Mom acne, autoimmune disease and diabetes.

But..... the right supplements changed IT ALL!!!! 🥰

I will never stop preaching about blood sugar balance, gut health and ridding your body of inflammation. GAME CHANGERS!!!
