Soon to be the second largest ski resort in Colorado, Steamboat is loved for its light, dry snow and varied, accessible landscape. They are also one of the few Colorado resorts to offer skiing after dark. Steamboat is transforming the Colorado mountain experience. Investing nearly \$200 million on and around the mountain, the completely revamped Steamboat Square base area features an après ski plaza, new restaurants and bars, a stage for concerts and an ice rink.

We have secured lodging at Torian Plum. Conveniently located in the Torian Plum Plaza at the base of the Steamboat Ski Area, Torian Plum provides the perfect ski-in/ski-out location. You are steps away from North America's longest, fastest gondola! The private condos each feature a fully equipped kitchen, gas fireplace, and private balcony. The private balcony has a southern exposure that looks out over the Steamboat Ski area and the Yampa Valley which are the best two views you can have in Steamboat!

PACKAGE INCLUDES:

- Round trip airfare Pensacola (PNS) to Hayden (HDN)
- Round trip ground transportation
- 7 nights accommodations ski-in/ski-out
- Pre-trip party
- Welcome reception
