

High School Course Selection

Parent & Student Instructions

To register for courses, follow the steps below and view the demonstration linked here: [How to Register Video](#)

***NEW:** Pre-requisites are visible when registering for courses in PowerSchool.

1. Log into [PowerSchool](#).

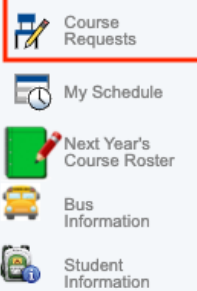

***Parents:** If you did not create a PowerSchool login account, follow the [steps linked here](#) OR login using your child's account.

2. Click **Course Requests from the **Navigation menu** on the left.**

A list of content areas will appear on the left. Content areas will show *Pre-Selected Classes* or *Student-Selected Classes*, outlined below. Content areas with red ! icons require course selections.

- **Pre-Selected Classes:** These classes are required to take and commonly apply to all students in a specific grade level, such as 10th grade Health. They appear with a **green ✓ icon**, which indicates no action is required. You will also see a ✓ next to elective content areas since a course selection in that content area is optional.
- **Student-Selected Classes:** These content areas are required but allow students to select a course within that content area. They appear with a **red ! icon**, which indicates that **an action is required**.
