

A 100 Word Scholarship Essay To Study International Relations

Growing up in an underdeveloped town, I've always yearned to explore beyond its boundaries.

My passion for learning about different cultures led me to work with international student groups, fostering connections and my understanding of different worlds. Winning this scholarship would allow me to study International Relations, equipping me with the knowledge to advocate for global peace.

My ultimate goal is to join the United Nations and implement policies that promote unity and cooperation among nations. Hence, this scholarship is not just financial support; it's a chance to realize my dream of building a world of harmony.
