## **BEC Wear Info & Order Form**

*Revised Nov, 2017*

### **SHIRTS**

You've all seen 'em! These are classy black polos with your name embroidered on the right breast, and the BEC logo on the left.

BEC shirts are a standard and are encouraged to be worn at nearly all shoots.

*We now are offering TWO fabric options -*

The classic Cotton/Polyester blend OR the cool and lightweight SportTek all polyester version.

We offer each in long or short sleeve, so you get FOUR options to choose from!

### **JACKETS**

These sharp looking "storm jackets" are Charcoal and Black. They feature a non pilling fleece lining and heavy duty windproof, water resistant nylon shell.

We consider it a "3 season" jacket, being light enough for fall and early spring, yet warm enough for dead of winter. Your name opposite the familiar BEC logo.

### **STOCKING CAPS**

Perfect for the chilly months, the rare BEC-TV Knit Stocking Cap is now available to all.

Black with the logo. (Sorry, names not available on hats)
