GINGERBread COOKIE cover

Ages: 2 and up!

Supplies

- The printed gingerbread cookie page.
- Crayons.

Steps

1. Ask your child to write his or her name on the top line. If your child isn't old enough to do that, write it out for him or her and point to each letter as you say what it is.
2. Ask your child questions about their appearance and ask them to draw the answers.
What color are your eyes? What color is your hair? How long is your hair? Are you happy or sad today? What are you wearing right now?
3. Let your child personalize his or her cookie and save it for his or her "About Me" book.
This will be the cover.
