

## **Historical Investigation Peer Review Checklist**

Check off each element when found. Make sure to review each part in the paper to give feedback!

### **Part A: Framing the Issue**

Research question that is specific to a particular event of mass hysteria \_\_\_\_\_

Plan of investigation (how will the author be researching?) \_\_\_\_\_

Importance and interest in question stated \_\_\_\_\_

One full paragraph \_\_\_\_\_

### **Part B: Research and Use of Evidence**

At least five sources are used \_\_\_\_\_

The evidence from the sources is organized in either chronological or topical \_\_\_\_\_

MLA or APA citation guide for “in-text” citations is followed \_\_\_\_\_

Three pages \_\_\_\_\_

### **Part C: OPVL Analysis**

OPVL about the evidence in Part B, for two sources \_\_\_\_\_

Two paragraphs \_\_\_\_\_

### **Part D: Analysis of Evidence**

Commentary/analysis on evidence presented in Part B – how does it help answer the research question? \_\_\_\_\_

One page \_\_\_\_\_

### **Part E: Conclusion**

Thesis statement that is an answer to the research question and explanation of importance \_\_\_\_\_

One full paragraph \_\_\_\_\_

### **Part F: Works Cited**

MLA or APA format for “works cited” citations followed, in alphabetical order \_\_\_\_\_

### **ALL OF THE ABOVE:**

Times New Roman, Size 12 Font \_\_\_\_\_

Double spaced \_\_\_\_\_

No use of first/second person (“I” or “my” or “you” for instance), except in Part A \_\_\_\_\_

**Please help with reviewing for spelling/grammar (avoid using contractions)/citation mistakes! Be thorough! 😊**
