

Student Shout Outs!

Shout out to Lilly Davis this week. I loved how much you battled and are working to improve with pitching. So awesome to see you want to get better and being willing to put in the time!

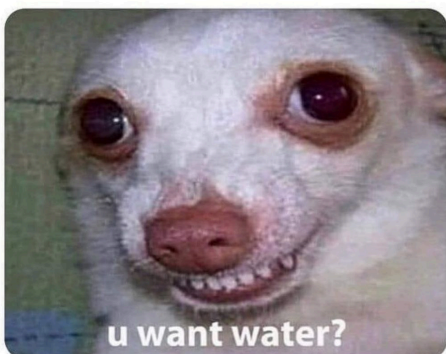

Shout out to Dakota Gilbert! Even with a massive migraine, he made the effort to come into school and be successful. On top of that, he made an amazing horseshoe flower in the shop!

Shout out to Modi, who is awesome at teaching me about Star Wars, even if her favorite character is the stereotypical Luke Skywalker...:)
