TECHNICAL & GENERAL RULES

The MTB technical regulations of the HBS and the MTB UCI Regulations, as well as the general rules of the UCI, apply to the race

Competitors agree to the rules and regulations by paying the entry fee and are riding at their own risk, for minors the responsibility is taken over by a specially signed Statement by the parent/guardian.

The organizer is not responsible for acts committed by riders toward third parties.

The race will be held regardless of the weather conditions.

It is mandatory to wear a protective integral (full face) helmet with goggles and knee protection. Other protective equipment is highly recommended, especially body armor. Cameras are only allowed in the position under the helmet visor. Any violation of the rules and regulations will be sanctioned by the judges. Participants are obliged to follow the instructions of the stewards on the track and adhere to the Code of the Organisers' Club. The organizer has all the rights to change the time of the race, to which he will inform the participants promptly. The announcement of the winner is obligatory within 2 hours from the passing of the last competitor, and to receive the prize, it is obligatory to be present at the finish line of all those who are competing for the same prize.

The track

The trail is closed to the public, marked with strips, safety nets, and mats before the first track walk. Parts of the transfer will take part on public roads. The base of the trail consists of gravel, earth, and stone, and in some parts, it contains natural and some artificial obstacles. Dangerous obstacles will be marked, and those that cannot complete such obstacles will have an alternative route marked (chicken). The trail is located on the southwestern slope of Kozjak hill, above Solin, Rupatina settlement. The perfect track record will be posted on the organizer's website at least a day before the trail is marked.
