

Friday, May 5, 2017

Dear Families,

Starting next week, Barry Churchill, the golf pro from Cedar Knoll, will be at Richmond to help students with their swings! Since he is only able to spend two short mornings a week with us for the month, we had to rearrange our schedule. This will allow all students a chance to have his expertise in perfecting their golf swings.

Please look at the calendar on the next page, especially as it pertains to PE times. Students will need sneakers on their PE days to participate and should the weather cooperate, they will be outside for PE. If it says "No Change" or their class is not listed, students can expect to follow their normal schedule. We have gone over this in class and will also be giving them reminders.

Also, mark your calendars for Tuesday, June 6! That is our day to travel to Cedar Knoll Country Club for our golf outing. We always need lots of adult volunteers to make this a fun and successful day. Our rain date will be on Thursday, June 8. Please email Marie Ayer at marie.ayer@cesuvt.org if you are able to commit to either day.

Thanks so much for your support,

The Third Grade Team
