

Privacy Policy for Dice

Last updated: 30.12.2025

Dice is provided by **Mokong Technology Ltd.** as an application. This page is used to inform users regarding our policies with the collection, use, and disclosure of personal information.

Data Collection & Usage

- This app **does not collect, store, use, or share any personal data.**
- The app works **entirely offline** and does **not require internet access.**
- We do **not use analytics tools**, ad services, or third-party SDKs that collect user data.

Permissions

The app may request permissions only if they are necessary for core functionality. These permissions are not used to collect personal information.

Children's Privacy

This app does not collect data from anyone, including children. If you are a parent or guardian and believe anything in this policy should be clarified, feel free to contact us.

Changes to This Policy

If privacy practices change (for example, if new features require data), this policy will be updated and made available to users.
