*Verses – B&T hum, A&S sing words*

Syria, Yemen, Palestine

Peace and justice in our time

Russian troops out of Ukraine

Freedom in the air again

Power blocs left in the past

Global peace within our grasp

Soon, make it soon

## **Chorus**

Working for a world that's just

Resolution without force

Respect for international law

No one profiting from war

Oppression fading in the light

Democracy and human rights

Soon, make it soon

## **Chorus**
